

DECEMBER FOCUS

Giving Thanks

"To have children think about others more than themselves, this is a true blessing."

"I Thank People"

"I am Thankful"

Students learn about being **THANKFUL FOR THE PEOPLE** around them, including family, friends, and teachers

CORE

"Giving is Better than Getting"

Classes focus on the importance of giving thanks and **APPRECIATING** everything we have in our lives.

Students participate in **SERVICE OUTINGS** that visit **THE ELDERLY.**

In class, students make gifts with the elderly and learn about the difficulties they face in their care homes.

"Christmas is a great time to reflect on what we are thankful for and to celebrate the people in our lives"
